The LOWELL MONUMENT CO.

Manufacturing our own work and selling direct to you, we are enabled to quote as reasonable prices as can possibly be named for strictly first class work.

Our experience in successfully designing and constructing artistic Memorials in **Granite and Bronze,** makes us confident that we can be of real service to you in the selection of a design and material which will be just suited to your lot.

Only the finest grade of material enters into our monumental work, and the production of this work is entrusted to only the skilled hands of qualified artisans. Our plant is equipped with the latest improved Compressed Air Hammers, which assures you of fine workmanship.

Largest display of finished work in this vicinity.

If, however, it is not convenient for you to call, you will incur no obligation by communicating with us. We have several beautiful designs for something new in Memorial work—unique, and different from anything that has ever been seen before. Shall we send you a few for inspection?

We are especially equipped for executing Soldiers' Memorials.
